WORK EXPERIENCE

**1<sup>st</sup> September, 2018** **Associate Professor** at the University of Torino – Department of Management

**December, 19<sup>th</sup>, 2013** Stefano Duglio obtained the National Scientific Qualification to function as Associate Professor in Italian Universities

December, 2008 **Assistant Professor** at the University of Torino – Department of Management

Research:

Stefano Duglio's research interests:

1. Environmental and Integrated Management Systems and eco-labelling, with a special focus on the tourism industry.
2. Sustainable tourism.
3. Sport tourism.

Teaching:

Bachelor degree in Business and Management

1. *Operations Management*
2. *Operations Management – English version*
3. *Quality and Environmental Management*

Master degree in Administration

1. *Tools and technology for the industrial ecology*

University of Torino, School of Management and Economics

Visiting position: Erasmus Teaching Staff

Visiting Professor in range of the Erasmus Teaching Staff, Academic Years 2017-2018, Varna University of Management, Varna (Bulgaria). Lectures on the *Environmental Management Tools for tourism* in the Master Degree “Master of International Hospitality and Tourism Management”

Visiting Professor in range of the Erasmus Teaching Staff, Academic Years 2014-2015, University of National and World Economy, Sofia (Bulgaria). Lectures on the *Environmental and Integrated Management systems* in the Bachelor Degree “International Management”

2004 – to 2008 **Postdoctoral Fellows**  
 Department of Commodity Science, University of Torino

**Sector** Commodity science area

2001 **Degree**  
 Degree in Economics, Major: Environmental economics  
 Faculty of Economics of Torino

**EDUCATION AND TRAINING**

**Mother tongue** Italian

**Other languages**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	B2	B2	B2
French	C1	B2	B2	B2	A1

**PERSONAL SKILLS**

**Co-founder of the Academic Spin-off “Scatol8 for sustainability S.r.l.”**, a remote sensing network of environmental, landscape, and management variables based on free and open technologies

**Honours and awards**

**2006:** “Targa d’argento” for the paper – “La gestione energetica della “Spedizione K2 2004 – 50 anni dopo”: approvvigionamento ed implicazioni ambientali (*The energy management of the K2-2004 climbing expedition*, with Beltramo R. and Verza G.P.) - XXII National Conference of Commodity Science, Rome, 2006.

**2005:** “Panda d’oro: diploma per il turismo sostenibile nelle Alpi (Panda d’oro award for sustainable tourism in the Alps)”, promoted by WWF Italy with ANCI (National Association of the Italian Municipalities), Assoturismo, Confturismo, UNCEM (National Union of Mountain Towns and Communities), UPI (Union of the Italian Provinces) and AITR (Italian Association of Responsible Tourism), for the project “Valorization and promotion of mountain tourism through the environmental characterization of a mountain huts network” in which Stefano Duglio participated

**Institutional**

2016 – now: **Coordinator of the Erasmus+ Programmes** Inter-Institutional agreements 2017-2019 with **Krakow University of Economics** (Poland) and **Varna University of Management** (Bulgaria)

2015 - now: **Member of the Erasmus Commission** of the Department of Management

2013 - now: **Member of the Board of NatRisk** - Research Centre on Natural Risks in mountain and hilly environments – University of Torino

2012 - 2015: **Member of the Research Commission** of the Department of Management

**ADDITIONAL INFORMATION**

**Reviewer** *Ad hoc reviewer for:*  
Journal of Cleaner Production (IF2017: 5.651)  
Journal of Sustainable Tourism (IF2017: 3.329)  
Sustainability (IF2017: 2.075)  
Economic Inquiry (IF2017: 1.031)  
European Journal of Tourism Research (Scopus – Web of Science)  
Geoprogess Journal  
Innovation Creativity Setting – InCreaSe book series

**Gest editor** 2018: **Guest editor** of the **Special Issue “Mountain Tourism in Europe”** for *European Journal of Tourism Research*.  
  
2016 - 2017: **Guest editor** of the **Special Issue “Sustainable Tourism in Mountain Regions”** for the Journal *Sustainability*, IF 1.789

**Memberships** 2018: Member of the Organization Committee of the **Second International Conference on Risk Management**, School of Management and Economics, University of Turin, Turin, 25-26 October 2018  
  
2018: Member of the Scientific Committee of the **Global Conference on Business, Hospitality and Tourism Research (GLOSEARCH)**, organised by the Association of North America Higher Education International and Hoa Sen University, Vietnam, 2-5 October 2018  
  
2017 – now: Member of the **Italian Academy of Business Administration and Management - AIDEA**  
  
2016: Member of the Organization Committee of the **First International Conference on Risk Management**, School of Management and Economics, University of Turin, Turin, 5-6 May 2016  
  
2015 - now: Member of the **Scientific Committee** of the Book Series **“Innovation Creativity Setting – InCreaSe”** edited by Franco Angeli Editore, Milan (Italy)  
  
2010 - now: Member of the **Young Editorial Board of the Romanian Distribution Committee**  
  
2008 – now: **Member of NatRisk** - Research Centre on Natural Risks in mountain and hilly environments – University of Torino  
  
2004 - now: Member of the **Italian Academy of Commodity Science** - AISME

**Main oral presentations**  
*International Conferences*

1. Economic and social implications of a small-scale event: The case of the Brompton World Championship 2018 event in Torino, XXI IGWT Symposium "Sustainability, Quality and Innovation: A Global View of Commodity Sciences", Rome, Italy, September 22<sup>nd</sup>, 2018
2. Eco-management for the agriculture and tourism chains in marginal mountain areas, 20th Meeting of the FAO-CIHEAM Mountain Pastures subnetwork "Adapting Innovation in Grassland Management to Farmers' Needs to Face Social and Climatic Changes", Lofoten Island, Norway, September 12<sup>nd</sup>, 2018.
3. Tourist's Perception about the Environmental Quality of the Piedmont's Ski Resorts, 4th International Conference on Business, Economics, Marketing & Management Research (BEMM-2016) Hammamet, Tunisia, November, 5<sup>th</sup>, 2016
4. Motivations, Costs and Benefits in the Adoption of the European Ecolabel in the Tourist Sector. A Survey on the Italian Accommodation", "20th IGWT Symposium "Commodity Science in a changing world", Varna, Bulgaria, September 14<sup>th</sup>, 2016
5. "SCATOI8@: a remote sensing network for the risk assessment in the environmental management systems", First International Conference on Risk Management, Turin, Italy, May, 6<sup>th</sup>, 2016
6. "Socio-economic and environmental implications of the small-size hydroelectric installations in the Piedmont Region mountain valleys", Workshop and expert seminar "Best practises for the protection of water in times of crisis", Erlangen, Germany, April 23<sup>rd</sup>, 2016.
7. "Landscape as resource for the Alps", International Conference ForumAlpinum 2014 "Alpine resources. Use, valorisation and management from local to macro-regional scale", Boario Terme (BS), Italy, September 19<sup>th</sup>, 2014
8. "The Environmental Management System: a vector for the territorial development. The experience of the Town of Giaveno (Italy)", 19th IGWT Symposium "Commodity Science in research and practise current achievements and future challenges", Cracow, Poland, September 17<sup>th</sup>, 2014
9. "Integrated management system for converting a geosite into a tourist destination", Intensive Course on "Geodiversity and geoheritage: Evaluation and Interpretation", Prali, Torino, Italy, September 12<sup>th</sup>, 2014
10. "Environmental Management: the model of the Ecological Equipped Industrial Area", International conference "Participatory rights in the environmental decision making process and the implementation of the Aarhus Convention: a comparative perspective on the German and the Italian system", Torino, Italy, July 4<sup>th</sup>, 2014
11. "Perspective européennes de formation et de recherche sur les refuges de montagne: le Programme VETTA", Conference Bilan des 10 ans du Diplôme Universitaire Gardien de Refuge et enjeux d'avenir de ce métier, Argentière-la-Bessée, France, May 16<sup>th</sup>, 2014
12. "Mountain tourism in Bulgaria. The role of Mountain huts", XII Scientific Conference "Commodity Science – Traditions and Relevance", Varna, Bulgaria, October 24<sup>th</sup> – 25<sup>th</sup>, 2013
13. "Methodology for the evaluation of mountain huts in the context of sustainable tourism. A Study on 40 facilities in Piedmont Region", International Mountain Summit "Changing Paradigms in Sustainable Mountain Tourism Research: Problems and Perspectives", Forum Brixen, Italy, October 25<sup>th</sup> – 28<sup>th</sup>, 2012
14. "The V.E.T.T.A. project: a methodology to characterize the mountain hut and its management for sustainable tourism" 18 IGWT Symposium "Technology and Innovation for a Sustainable Future: a Commodity Science Perspective", Rome, Italy, September 24<sup>th</sup> – 28<sup>th</sup>, 2012

***In Italian***

1. "Eco-gestione delle filiere agricole e turistiche in territori marginali di montagna", XXVIII Congresso Nazionale di Scienze Merceologiche, Firenze, Italy, February 21-23, 2018
2. "Environmental management and sustainable labels in the ski industry. A critical review", XXVII Congresso Nazionale di Scienze Merceologiche "Qualità e innovazione per una economia circolare ed un futuro sostenibile", Viterbo, Italy, March 02-04, 2016
3. "Valutare la significatività degli aspetti ambientali e paesaggistici in un sistema di gestione per Enti di governo del territorio", XXVI Congresso Nazionale di Scienze Merceologiche "Innovazione, sostenibilità e tutela dei consumatori: l'evoluzione delle scienze merceologiche per la creazione di valore e competitività", Pisa, Italy, February 13-15, 2014
4. "La tecnologia del solare termico e la sua applicazione nei rifugi di montagna. L'indagine in Valle d'Aosta", XXIII Congresso Nazionale delle Scienze Merceologiche "Risorse naturali e sviluppo economico-sociale. Contributi delle Scienze Merceologiche", Terracina (LT), Italy, September 27<sup>th</sup>, 2007

## ANNEXES

---

Annex 1 – National and International projects  
Annex 2 – Publications

Date: 25/09/2018

Signature

## MAIN NATIONAL AND INTERNATIONAL PROJECTS

### Principal Investigator

#### 2018 – *in itinere*

TESORI – Valorizzare un Territorio attraverso i suoi sapori: la cucina della valle SOana tra tRadizione ed Innovazione –Call for Projects Terre Alte, Scientific Committee of the Italian Alpine Club

#### 2017- *in itinere*

EMERITUS - Eco-ManagemEnt for agRI-Tourism in moUntain areaS - within the Call for proposal of the University of Torino, 2016, supported by Compagnia di San Paolo of Torino.

#### 2015

Studio sull'indotto economico collegato alle competizioni Endurance (Applied research on the economic implications of the Endurance Trails events), commissioned by IPLA Piemonte

### Research team member

#### 2018

LIFE 12/NAT/IT/000818 "Xero-Grazing, nell'ambito dell'azione D3 "Monitoraggio dell'impatto socio-economico e sugli ecosistemi", su invito da parte della Regione Piemonte, Ente Gestore delle Aree protette Alpi Cozie.

#### 2014

Assistenza nella realizzazione dell'azione pilota sul traffico veicolare e in un processo di certificazione EMAS a favore dei Comuni della Unione dei Comuni della Valle Sangone, nell'ambito dell'Adaptation action plan; Progetto Central Europe "TAB – Take a breath", Codice 3CE356P3

"Analysis of the new agricultural farms and their multi-functions in the Province of Verbano-Cusio-Ossola and Novara (Piedmont Region)" within the research project "Ricerca sulle nuove imprese agricole multifunzionali" commissioned by the Fondazione Cariplo to the Centro Interdipartimentale GesDiMont of the University of Milano.

#### 2011 – 2015

"PROactive management of GEOlogical heritage in the PIEMONTE region: innovative methods and functional guidelines for promoting geodiversity knowledge and supporting geoconservation activities (PROGEOPIemonte)", within the Call for proposal of the University of Torino, 2011, supported by Compagnia di San Paolo of Torino.

#### 2010 – 2013

"V.E.T.T.A. – Valorisation of Experiences and Transfrontier Tourism products at medium and high Altitude", within Italy-Switzerland Transfrontier cooperation project 2007-2013, funded by the Mountain Department of Regione Piemonte.

#### 2009 - 2012

"Estratti naturali da piante medicinali e tessili-tintorie: caratterizzazione ed usi innovativi di ortica daphne lavanda e tannini da castagno" (PRIN Project 2008) funded by Ministry of Education, University and Scientific Research.

#### 2008

"Studio per la progettazione e l'implementazione del sistema di gestione ambientale secondo lo standard ISO 14001:2004, ai fini della certificazione ambientale e della valorizzazione delle produzioni agricole locali" (*Implementation of an Environmental management system fo the Town of Giaveno*) within a Convention between the Department of Commodity science and the Municipality of Giaveno.

#### 2006 - 2009

"Project for the designing and registration of a Landscape and Environmental Management System for the Union of the Municipalities of Langa and Barolo Hills", created by the Department of Commodity Science of the University of Torino and funded by Regione Piemonte, Assessorato Ambiente, parchi e aree protette, risorse idriche, acque minerali e termali, energia, with the collaboration of the Union of Municipalities hills of the Langhe and Barolo.

**2005 - 2008**

"Qualification de l'offre des refuges de haute montagne pour un tourisme durable dans la Vallée d'Aoste and les Pays de Savoie - REFUGES" within INTERREG III A Programma ITALY-FRANCE (ALPS) 2000/06, within a Convention between Assessorato turismo, sport, commercio, trasporti e affari europei of Regione Valle d'Aosta and the Department of Commodity Science of the University of Torino.

**2004**

"Swarms of Stars to the K2 - Size ecological trekking CAI at the Jubilee of K2 - The conquest of knowledge" as part of a convention between the Italian Alpine Club - Headquarters - and the Department.

"Definizione ed applicazione dei criteri di ecocompatibilità per l'allestimento di un Sistema di Gestione Ambientale per la spedizione italiana al K2 del 2004" (*Environmental management of climbing expeditions*), as part of an agreement between the Italian Mountain Institute and the Department, in collaboration with the Ev-K2-CNR Committee. *One-month mission in Pakistan*.

**2003**

"ISO 14001 Certification of Ev-K2-CNR Pyramid", in collaboration with RONAST– Royal Nepal Academy of Science and Technology and the Ministry of Foreign Affairs, as part of a Convention between the Italian Mountain Institute and the Department. *One-month mission in Nepal*.

"Environmental product labels. Diffusion on the territory and cost-benefit analysis of their implementation", within a Convention between Assessorato all'Ambiente of Provincia of Torino and the Department of Commodity Science of the University of Torino.

"Valorisation and promotion of mountain tourism through the environmental characterization of a mountain huts network", promoted by Department of Commodity Science of the University of Torino and realized by the Associazione Gestori Rifugi Valle d'Aosta – Association of mountain hut managers of Aosta Valley, with the contribution of European Social Fund, of the Italian Labour and Social Security Ministry and of Regione Autonoma Valle d'Aosta, Ob. 3, Measure D 3, 2000-2001.

**2001**

"Research for designing and implementing environmental management systems in mountain huts", promoted by the Department of Commodity Science of the University of Torino and by Grivel Mont Blanc s.r.l., Courmayeur (AO) and realized by the Association of mountain hut managers of Aosta Valley, with the contribution of European Social Fund, of the Italian Labour and Social Security Ministry and of Regione Autonoma Valle d'Aosta, Ob. 3, Measure D 3, 2000-2001

Date: 19/04/2018
